1. WLT insists that laughter club programs are led by qualified individuals (Certified Laughter Leaders), who renew their certification annually.
2. WLT offers the first and only laughter leader training program in the world that is college-approved as well as accredited for the continuing education of many allied health professionals.
3. WLT's laughter clubs invite enthusiastic participation of individuals either in groups or alone, at a level of exertion such that there is no pain or discomfort.
4. WLT's laughter club programs closely adhere to a stated set of values and principles.
5. WLT's laughter club program provides a simple step-by-step system to prevent hardening of the attitudes, making it a true mind/body/spirit program.
6. WLT's laughter club program promotes creativity and sharing of experiences so that the method remains dynamic and evolutionary.
7. WLT's laughter club program is guided by a Professional Advisory Committee composed of eminent researchers, educators and practitioners in the fields of therapeutic laughter and therapeutic humor, as well as other fields that can enhance the aims of the various projects.
8. WLT's laughter club program supports the Certified Laughter Leaders through a network that enables sharing ideas, including the formulation of policies.
9. WLT constantly explores new applications of the laughter club methods in order to provide health, well-being, and peace benefits to as many people as possible.
10. WLT develops innovative methods, such as its Distance e-Learning training program.
